

We Have Moved ...but only across the street

Dear Friend of Abraaj

After almost six years in Emirates Towers, Abraaj Capital has moved its Dubai office across the street to the Gate Village, Dubai International Financial Centre (DIFC).

Abraaj has grown steadily since its founding in 2002. Staff numbers have climbed to more than 150 in five offices across the region. Whilst we enjoyed excellent facilities at Emirates Towers, we outgrew that space and are now very proud to have moved into the DIFC, the region's premier financial services centre. Abraaj Capital Ltd. is licensed by the Dubai Financial Services Authority (DFSA).

As a result of our move, all our telephone and fax numbers have changed, though our postal address has remained the same.

Please do make a note of all our new contact details, which are below. You will also find them on our website, www.abraaj.com. We very much look forward to welcoming you at our new offices.
